**JOINT MOTION IN COMPLIANCE WITH ORDER RELATED TO
WIDERANGE CORPORATION'S MOTION FOR RELIEF OF STAY**

To the Honorable United States District Court Judge Laura Taylor Swain:

On behalf of the Puerto Rico Electric Power Authority ("PREPA"), the Puerto Rico Fiscal Agency and Financial Advisory Authority ("AAFAF") pursuant to the authority granted to it under the *Enabling Act of the Fiscal Agency and Financial Advisory Authority*, Act 2-2017, and Movant, Widerange Corporation ("WR"), respectfully submit this Joint Motion in Compliance with Order (the "Motion"). In support of the Motion, the parties respectfully state as follows:²

1. On July 16, 2018, this Court entered an order granting WR's unopposed request for an extension of time to file a joint report and extended the deadline to July 25, 2018. [Dkt. No. 3525.] The joint report pertains to this Court's order entered on May 1, 2018 (the "Initial Order") concerning the parties' efforts to address "[m]ovant's expressed concerns regarding the potential impact on its commercial prospects of the unresolved controversy as to whether there was a factual basis for the delay penalties, the Court encourages the parties to meet and confer promptly to seek to develop a mutually acceptable statement regarding the nature and pendency of the stayed litigation that can be used in connection with reference inquiries as Movant bids for business. The parties must file a joint status report concerning their efforts by June 4, 2018." [Dkt. No. 2980 at 6.]

2. In compliance with the Initial Order, on July 25, 2018, the parties informed the Court of the efforts made by both parties to reach an agreement as related to the nature and pendency of the stayed litigation and WR's concerns regarding the potential impact of the

pending litigation in relation to its commercial prospects with PREPA. [Dkt. No. 3697]

3. The parties have informed the Court on various occasions that they have been in the process of discussing possible alternatives to adequately address the Court's order. [Dkt. Nos. 3812, 3896, 4023, 4083, 4275, 4432, 4799, 5148, 6252, 7488, 8860, 9634 and 2036 in Case No. 17-04780].

4. The parties hereby inform the Court that they have reached an agreement in principle regarding the use of the contested penalty at issue as an adverse performance history by WR. The parties have agreed that, during the duration of the automatic stay and/or while their controversies remain unadjudicated, PREPA will not use the events related to the contested penalty at issue in *Wide Range Corporation v. Autoridad de Energía Eléctrica*, Civil Case No. KAC2016-1247, before the Court of First Instance of Puerto Rico, San Juan, as an adverse performance history for other projects in which WR may bid.

5. The parties agree that neither this motion nor any agreement reached in the contested matter related to the automatic stay, constitute an adjudication on the merits on any rights of the parties.

6. Through this motion WR does not waive any substantive rights in the stayed State Court proceeding, claims filed within this case, nor any other remedy at law or equity which may be available or pursued within the jurisdiction of this Court or appropriate forum. Likewise, PREPA does not waive any right to object or oppose any potential remedy sought by WR.

7. The parties will inform the court by March 17, 2021 if there are any changes in the current status of the case or regarding the agreements reached by the parties.

RESPECTFULLY SUBMITTED.

I HEREBY CERTIFY that on this date, I have electronically filed the foregoing with the Clerk of the Court using the CM/ECF system, which will send notification of such filing to counsel of record.

In San Juan, Puerto Rico, this 17th day of December, 2020.
